DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/10/2008 has been entered.

Allowable Subject Matter

2. Claims 1, 3-8, 10, 12, 14-16, 18-26, 28, 31-33, 35-45 are allowed.
3. The following is an examiner's statement of reasons for allowance: Applicant claimed an email address update system. In this system a person can change their email address. An unknown sender of an email sends an email to the old email address. The person who changed their email address chooses whether the unknown sender may receive the updated address information. If the unknown sender requests the new information twice and is rejected twice, the unknown sender is ignored in the future. This system is not taught in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
